

# BLUES 1 EASTBOURNE BOROUGH 4

A terrible second half performance saw Blues crash to another home loss on Saturday. Four goals from Elliott Romain turned this match on its head after Luke Callander had put the home side ahead in the first half.

Buoyed by a good midweek performance Stortford began well and although new keeper Richard Walton, on loan from Lincoln City, made fine saves from Mark Hughes and Nathaniel Pinney early on, they took the lead in the 17th minute.

An excellent move saw Correy Davidson and Aaron Greene combine well on the left for Callander to blast a rising shot inside the near post.

Although Pinney had efforts kept out by Walton the Blues upped the tempo before the interval and Callander was unlucky in the 44th minute with a header that shaved the bar after a Greene corner.

Borough levelled the scores two minutes after the restart when the host's defence failed to clear and Romain's shot on the turn from close range found the net. Then, in the 50th minute the visitors were ahead when Pinney headed Ryan Case's centre across goal and Romain tapped in.

Tommy Widdrington's side were now well on top and apart from Jordan Holmes tipping a long range effort from Greene over the bar were hardly troubled. Romain extended their lead in the 85th minute sweeping home a loose ball after Walton had saved from Hughes and then he notched his fourth of the afternoon in the dying seconds collecting a through pass from substitute Jamie Taylor to slip wide of the Stortford stopper.
